As a Readiness Insight client, your experience is very important to us and we provide this guide as an understanding of periodic changes.

For further information please contact our customer support through the support portal.

New Features

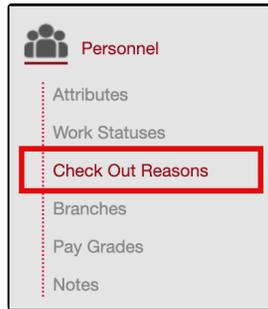

- Added Short Title Names for Accreditations in support of Government Licenses

The screenshot shows a form titled "Qualification, Certification or License". It contains two input fields. The first field is labeled "Title:" and contains the text "A/S32A-45 TOW TRACTOR (F/A-18E/F, E/A-18G)". The second field is labeled "Short Name:" and contains the text "A/S32A-45". This second field is highlighted with a red border. Below the "Short Name" field, there is a partially visible field labeled "NAWDP".

Improvements

- Checkout Reasons are no longer visible to the clients
 - Checkout Reasons have been standard for all clients and can only be changed by a System Administrator

- Jobs will be inactivated upon checked out
- Roles will be deleted upon checked out
- Administration>System>Roles
 - Checked in personnel will only appear in the status column

The screenshot shows the "Role" configuration page. The "Role Name" field contains "DOCUMENT TRAINING EVENTS". Below the form are buttons for "View Users", "Delete", and "Save". A red arrow points from the "View Users" button to a table of personnel. The table has columns for Last Name, First Name, Middle, Unit, Name, Configuration Group, and Status. The Status column is highlighted with a red box, and all entries are "Checked In".
