

Release Notes
February 28, 2024

Readiness Insight is continuously being improved and enhanced to provide the best product for you, our client. We provide regular updates which include improvements for performance and reliability. In addition to these **New Features**, we will include a list below of Readiness Insight **Fixed Issues** and **Improvements**. As a Readiness Insight client, your experience is very important to us and we provide this guide as an understanding of periodic changes.

For further information please contact our customer support through the support portal.

 **New Features**

- N/A

 **Improvements**

- Added new privilege for Temporary Assignments function

	Name ▲	Description	Organization	Configuration Group
<input type="checkbox"/>	Personnel > Temporary Assignments	Permission to temporarily assign personnel.	Yes	No

- Temporary assignments allow personnel to be tracked without requiring a reporting assignment check out/check in action. If a supervisor desires to track the organization where one of his people is working but does not want to officially check that person out of the organization, a temporary assignment can be created.
- Temporary assignments for a person can be managed:

- Individual>Training Record>Assignments tab
- Organization>Personnel Menu>Displaying option of "Temporary To"

✔ **Fixed Issues**

- N/A
