

Version 12.200.0

Release Notes

Nov 13, 2020

ASMi is continuously being improved and enhanced to provide the best product for you, our customer. We provide regular updates which include improvements for performance and reliability. In addition to these standard improvements, we have included a list below of ASMi enhancements and refinements. As an ASMi customer, your ASMi experience is very important to us and we provide this guide as an understanding of periodic changes.

For further information please contact our customer support at support@asmisystem.com.
