

**Release Notes**

**Mar 4, 2021**

ASMi is continuously being improved and enhanced to provide the best product for you, our customer. We provide regular updates which include improvements for performance and reliability. In addition to these standard improvements, we have included a list below of ASMi and Command Portal enhancements and refinements. As an ASMi customer, your ASMi experience is very important to us and we provide this guide as an understanding of periodic changes.

For further information please contact our customer support number at (210) 761-9611 or email at [support@asmisystem.com](mailto:support@asmisystem.com).

 **Fixed Issues**

---

**Task Lists that awards Accreditations**

- Eligible Accreditations can now be linked to Task Lists

**Task Types (Medical/Training)**

- Medical and Training task types that were set to auto sign-off for a task will now be documented correctly regardless of when the task list was assigned

**Programs**

- You can now add a new program when there weren't any existing programs

**Training Tracks with optional items**

- Optional items in training tracks will no longer impact higher tiered Accreditations
